Lighting/Projections
1. Jennifer met with Colin McThorn before rehearsal today to work on the Zeus scenes. We are ready to schedule filming those scenes whenever you are. Jennifer would like to be present for this. 2. Jennifer would like to talk to you about Hermes' entrances.
Costumes
1. We added some additional "townspeople" into 1.3 a. Lourdes Bradley- base costume b. Hanna Brookshire- base costume c. Fuad Zughayer- Neoman d. Rayon Lim- Mentor e. Avery Dunn- will need to be able to change quickly from Denizen into base costume 2. The suitors need to be able to 'draw their swords' in some way. These are 30" bamboo poles. Is there somewhere on their costume they can stick them? 3. Young Odysseus needs a place to hold his knife on his costume. I will bring it to the costume studio with me when I visit tomorrow.
Hair/Makeup
None today, thanks!
Props
1. We are going to need to acquire some additional bamboo. We want to add 6 30" bamboo pieces that are used as swords. We will also need to coordinate with Brian to create the 2 bamboo poles used for the raft sail.
Sound
1. In 1.10, Odysseus will come up for air twice during the drowning sequence.
